

POWERING PROGRESS WITH **SKILLED HANDS**

Building. Cleaning. Maintaining. Empowering.

INTRODUCTION

DYNAMIC MAN is a multi-service solutions provider specializing in Construction, Cleaning, Maintenance, and Manpower services across Saudi Arabia. With a strong foundation of professionalism, reliability, and innovation, FOUR MAN delivers excellence to clients in both the private and public sectors.

We believe that every project, whether large or small, deserves the highest standards of quality, safety, and efficiency. By combining modern technology, skilled manpower, and strategic planning, FOUR MAN ensures long-lasting solutions that create value for our clients.

OUR VISION FOR THE FUTURE

To be a leading multi-service provider in Saudi Arabia, recognized for delivering innovative, reliable, and sustainable solutions in construction, cleaning, maintenance, and manpower services.

WE STRIVE TO:

- Support infrastructure growth with quality construction.
- Enhance living and working environments with world-class cleaning and maintenance.
- Empower industries with a skilled, dedicated workforce.
- Align our efforts with Saudi Arabia's Vision 2030 for national growth and modernization.

OUR MISSION

- To provide integrated, cost-effective, and high-quality solutions that exceed client expectations.
- To deliver services with a strong commitment to safety, efficiency, and innovation.
- To supply a reliable and skilled workforce that drives success for our clients' projects.
- To build a culture of trust, responsibility, and continuous improvement within our organization.
- To contribute to sustainable development and national transformation through every service we deliver.

CORE VALUES

01

Commitment & Trust – Honoring every promise to our clients.

02

Quality & Safety – Maintaining strict compliance with safety standards.

03

Customer Satisfaction – Putting our clients at the heart of every project.

04

Continuous Development – Investing in innovation and human capital.

Manpower Supply

CONSTRUCTION SERVICES

DYNAMIC MAN is committed to building a stronger future through innovative, reliable, and safe construction solutions. We handle projects from concept to completion, ensuring high-quality standards while staying within time and budget.

RESIDENTIAL CONSTRUCTION

Designing and building villas, housing complexes, and apartment towers with modern architectural styles, durability, and sustainability.

COMMERCIAL CONSTRUCTION

Developing retail outlets, office spaces, shopping malls, and hospitality projects that meet business requirements and customer experiences.

INDUSTRIAL INFRASTRUCTURE

Warehouses, factories, and large-scale industrial facilities equipped with the latest safety and efficiency standards.

CIVIL WORKS & SPECIALIZED PROJECTS

Roadworks, drainage systems, landscaping, and other civil engineering works.

FIT-OUT SOLUTIONS

End-to-end interior finishing including flooring, ceilings, partitions, and custom designs.

CLEANING SERVICES

We believe cleanliness is not just about appearance — it's about health, safety, and productivity. DYNAMIC MAN provides comprehensive cleaning services tailored to residential, commercial, and industrial clients. Using modern equipment and eco-friendly materials, we ensure every environment is hygienic, safe, and welcoming.

POST-CONSTRUCTION CLEANING

Removing dust, debris, and construction residues, preparing new spaces for use.

COMMERCIAL & OFFICE CLEANING

Daily, weekly, or monthly cleaning to maintain a professional and healthy workspace.

RESIDENTIAL CLEANING

Deep cleaning services for villas, apartments, and housing units.

INDUSTRIAL CLEANING

Specialized heavy-duty cleaning for warehouses, plants, and factories.

GLASS & FAÇADE CLEANING

Safe and professional cleaning of high-rise windows and building exteriors.

WATER TANK & RESERVOIR CLEANING

Sanitization and maintenance ensuring safe water storage.

CARPET, UPHOLSTERY & FLOOR CARE

Professional cleaning to extend the life of flooring and furniture.

DEEP CLEANING & SANITIZATION

Disinfection of spaces to meet international hygiene and safety standards.

QUALITY EQUIPMENT & SUPPLIES:

Utilizing high-quality cleaning equipment and materials.

WASTE DISPOSAL:

Emptying waste bins & cleaning ashtrays, maintaining odor-free space.

MAINTENANCE & FACILITY MANAGEMENT

A building's true value lies in how well it is maintained. DYNAMIC MAN provides end-to-end maintenance and facility management services that reduce downtime, extend asset life, and ensure smooth daily operations.

PREVENTIVE & CORRECTIVE MAINTENANCE

Regular inspections, troubleshooting, and repairs to prevent system failures.

HVAC SOLUTIONS

Installation, servicing, and repair of air conditioning and ventilation systems.

ELECTRICAL SYSTEMS

Wiring, lighting, power distribution, and emergency backup services.

PLUMBING & WATER SYSTEMS

Complete solutions for water supply, drainage, and sanitation systems.

BUILDING REPAIRS & RENOVATIONS

Structural restoration, interior refurbishments, and safety upgrades.

PAINTING, FLOORING & FINISHING

Enhancing aesthetics and functionality through high-quality finishing works.

FACILITY MANAGEMENT

Comprehensive management of residential, commercial, and industrial facilities, ensuring efficiency, safety, and comfort.

ANNUAL MAINTENANCE CONTRACTS (AMC)

Long-term service agreements offering cost savings and peace of mind for clients.

MANPOWER SUPPLY SERVICES

Behind every successful project is a skilled and reliable workforce. DYNAMIC MAN provides flexible manpower solutions to meet the evolving needs of clients across multiple industries. Whether you require short-term labor or long-term staff, we supply qualified professionals, skilled tradesmen, and general workers who deliver results.

CONSTRUCTION WORKFORCE

Skilled masons, carpenters, welders, steel fixers, electricians, and plumbers.

TECHNICAL TEAMS

HVAC technicians, mechanical specialists, civil engineers, and maintenance experts.

CLEANING & HOUSEKEEPING STAFF

Trained staff for residential, commercial, and industrial facilities.

GENERAL HELPERS & LABORERS

Semi-skilled and unskilled workers for site support and logistics.

ADMINISTRATIVE & SUPPORT STAFF

Clerks, receptionists, drivers, and office assistants.

FLEXIBLE CONTRACTS

Short-term, project-based, or long-term manpower supply based on client needs.

TRAINING & DEVELOPMENT

We ensure our manpower is trained, safety-conscious, and prepared for specific industry requirements.

INTEGRATED SERVICE SOLUTIONS

What makes DYNAMIC Man unique is our ability to combine multiple services into a single, efficient package. Many clients prefer an integrated partner who can handle everything — and that's where we excel.

CONSTRUCTION + CLEANING + MAINTENANCE

Delivering new buildings ready for immediate use.

FACILITY MANAGEMENT + MANPOWER SUPPLY

Complete management of offices, residential compounds, and industrial sites.

CUSTOM PACKAGES

Designed around the unique requirements of each client.

WHY CHOOSE DYNAMIC MAN?

End-to-End Solutions:

One-stop service provider for multiple industries

Experienced Team:

Skilled professionals with proven expertise.

Customer-Centric Approach:

Flexible solutions tailored to client needs.

Our Workforce

Our strength lies in our people. DYNAMIC MAN employs highly skilled local and international talent, trained to meet industry standards. By fostering teamwork, training, and empowerment, we ensure our workforce remains the driving force behind every successful project.

Quality Assurance

We follow rigorous quality control standards to ensure consistent results. Each service undergoes:

Planning & risk assessment

Health, safety & environmental compliance

On-site supervision

Continuous performance evaluation

CONTRIBUTION TO VISION 2030

DYNAMIC MAN is fully aligned with Saudi Arabia's Vision 2030 by:

- Enhancing infrastructure through construction and maintenance.
- Supporting a cleaner, more sustainable environment.
- Empowering the workforce with skilled manpower opportunities.
- Driving efficiency and modernization across industries.

THANK YOU
